📄 Summary

Web Developer with experience in UI/UX design.

Skills

HTML, CSS, JavaScript, Adobe CC, Node.js, MySQL, React, Github, Heroku, Microsoft Office, WordPress

💼 Work History

System Integration Consultant Oct 2017 - Jul 2018	TAMSAN Pte.Ltd. Singapore	Used CMS tools (mainly WordPress) to update content for All Nippon Airways (ANA), Kyocera and Japan National Tour Organization (JNTO). UX design work such as User flow and Site map for Pigeon etc.
Senior Stylist Dec 2015 - Feb 2018	Rubik Hair Salon in Singapore	I counselled and provided advice on hair designs for numerous customers. I did hair cuts, color, and perms for both men and women. I also trained junior stylists.
Hair Stylist Apr 2013 - Apr 2015	J. Moriyama Hair Design London UK / English National Opera	I was a senior hair stylist at a London hair salon. I also did hair designs for a performing arts theatre.
Junior Hair Stylist Oct 2011 - Jan 2013	Hair Resort Sui Tokyo Japan	Worked as Head Spa Aesthetician and Assistant Stylist for a while. Here I was first promoted to a hair stylist.
